About **AL ASDAF**

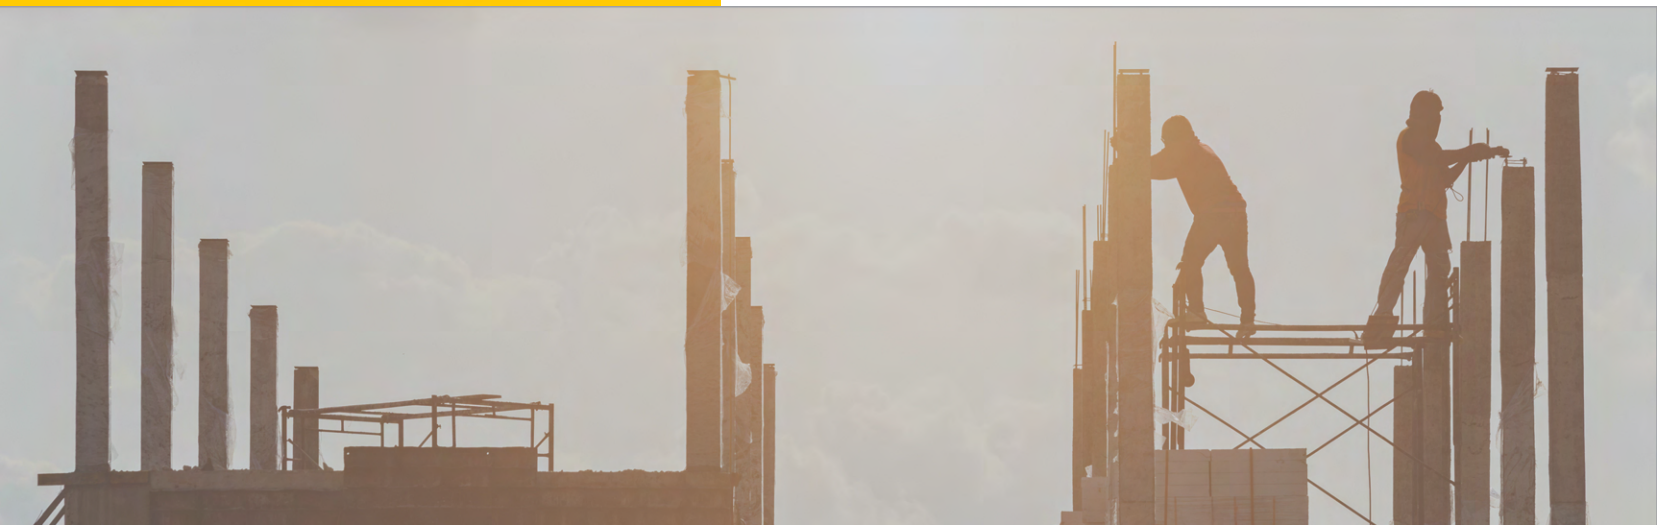

• Who are we?

AL ASDAF Trading was established in Riyadh city in **1975**, with a **100% Saudi ownership**, to become one of the largest trading companies which operates within a frame of commitment and responsibility.

It started its business dealing with the industrial and constructing materials and hence expanded its business to cover other fields in order to supply all the companies and factories with their requirements of Industrial Tools, Construction Materials and Safety Equipment.

As Jubail is one of the leading industrial cities, Jubail branch was opened in **1978**, which came at the same time as the rapid growth of the city. This long time gave AL ASDAF a wide experience in satisfying and covering the needs of its customers and the ability to be the representative of many specialized international companies.

Our organization has obtained many certificates of appreciation that demonstrate its commitment to serving its customers. And Being an ISO-certified organisation (ISO 9001: 2015), AL ASDAF devotes great efforts and resources to maintain the excellence that is deemed essential by the best Quality Management standards.
